

# ADVANCED SCUBA DIVER COURSE AND SCHEDULE

*The Dive Shop Advanced Scuba Diver Course* is a continuing education certification course for certified divers. It is a fun and enjoyable experience designed to introduce divers to a variety of new diving activities in a supervised open-water environment. This course will enable you to fine tune your diving skills, meet new divers and gain additional confidence as you explore many new diving activities.

## **Who's eligible to take the course?**

The new and experienced open water certified diver can take the course. Maybe you have a desire for additional training, meeting new divers or just looking for a **fun** weekend at the lake. We guarantee all 3!

## **Course Content**

The *Advanced Scuba Diver Course* will consist of five or six open-water training dives. The Deep and Navigational dives are required. The other 3-4 dives will be chosen from the special activity dives list below. The special dives will be determined prior to the weekend course. *The Advanced Scuba Diver* manual is required reading prior to the dives. Knowledge reviews must also be completed and turned into your instructor. Skill reviews in the pool prior to the weekend.

### **Dives covered over the weekend**

- Deep dive
- Buoyancy
- Multilevel and Computer
- Night Diving
- Search and Recovery
- Underwater Navigation
- Rescues

## **Equipment Provided by *The Dive Shop***

- Tank (will all air fills)
- BCD and Regulator System
- Weight Belt and Weights
- Compass

***Note - You should have your own dive slate for the navigational dives and dive lights for the night dive and deep dive.***

***Rental equipment is available if you do not have your own wetsuit, hood and gloves, etc.***
